WITH CONTRAST

EL ECO '66-

Life would be dull without the nuances that lend zest and excitement, thrill and challenge to life. Contrast is the shading difference is implied without suggesting a loss of identity. Change is indeed an ever present determinant in thread and fabric in a constant; contrasting experiences that evolve from day to day, from moment to moment become a vital part of the pattern and changes, by contrast, may be ever so subtle—or dramatically striking; of positive or affirmative value of a negative nature, acting evolve a new personality for our very existence and which will be the determinant of our destiny. Contrasts are a constant force as we can embrace life's ever-changing form—and make the most of it, seeking only positive change; delighting in life's dynamic

which give life texture and perspective. Tomorrow will be determined by change. This change may be barely perceptible; the all dimensions of life. That marvelous mix of sound and substance which we term human is far from static entity. Thus, change is growth of the individual and influence the sweep of humanity toward discovering new vistas and making new conquests. These to diminish the vigor and character of life itself. Time is now in the balance. Yesterday and tomorrow are change which will are erosion, time and death. They demand our awareness. We must be cognizant of the demands of these invisible forces so changes that offer both challenge and opportunity, growth and maturity.

## RICHARD H. NIDA

As we look back on the past year at Narbonne High School, we are made aware of the fine leadership we have received from our principal, Richard H. Nida. Yet, many of us still know nothing about Mr. Nida.

Both of his parents were teachers in Ohio, Illinois, and California. His father was Superintendent of Schools in River Forest, Illinois, and a Professor of Education at San Diego State. Also both parents authored numerous school textbooks.

Following the pattern set by his parents, Mr. Nida has been teacher and department chairman at Compton and Ventura Secondary Schools. In 1937 he joined the Los Angeles City Schools and between 1937 and 1941 he taught at Franklin, Manual Arts and Polytechnic High Schools. During 1940-42 he was in Teacher Training Co-ordination and Instruction at U.S.C. He has been Boys' Vice Principal at Manual Arts High School, and Dorsey High School. He has been Principal of Jordan High School, Huntington Park High School, and Carmelita Junior High. He has just finished eight years as principal of Hamilton High School and now he is with us at Narbonne High School.

Mr. Nida has co-authored books and is a member of many leading organizations including the Southern California Science Association, of which he is past president; Chamber of Commerce, P.T.A., Y.M.C.A., and the Crenshaw Area Boy Scouts Committee, and past president of Southeast Kiwanis Club.

As you can see our principal is a very active person. Besides his civic activities he also takes time to enjoy a variety of sports. Among his favorites are golf, swimming, tennis, badminton, table tennis and his grandchildren.

We at Narbonne are very proud to have Mr. Nida as our principal and we wish to thank him for all the effort he has put forth in our behalf.

### TO THE STUDENTS . . .

"With Contrast" is a fascinating theme for El Eco this year and leads me to make a few brief observations on the state of Americans and their outlook on the world.

By contrast, we in our affluent society, critical though we must be of our shortcomings, have so very much to be thankful for! For example, we may be so wrapped up in some of our own problems at home that we fail to recognize the many fine and constructive things that our countrymen are accomplishing abroad every day.

Some of us suspect that the "Ugly American" portrait recently projected with contrast should emphasize the great generosity and good will of most fine Americans around the world.

Perhaps we North Americans worry too much about criticism of us and our foreign policies when by contrast we should be constantly aware that we are and have been the most generous nation in history! Our "umbrella" of technicians, peace corps participants, armed forces, business representatives and diplomats protects many millions around the world and though some holes in the umbrella develop from time to time, we have been and are continuing to be a very strong, affirmative source of support for millions of peoples and many struggling nations. Sometimes politics or politicians or news media make us look far worse than we actually are!

In short, with contrast, let us as Lancers and Elysians and Americans hold our heads high and never sell our country short!

Best wishes from all of us at Narbonne for your part in a proud American future.

Richard H. Nida  
Principal

In our ever-changing world of today a student may ask, "Why adhere to standards if standards change so rapidly?" A world in transition needs qualified young adults who can meet the challenge of tomorrow's world of keen competition. Your three years at Narbonne High School is but a short way station toward your future goals and ambitions. Yet this singular accomplishment has shown that you have the self-discipline to meet the necessary standards needed to acquire this diploma—the self-discipline of study, attendance, and citizenship which have been levied upon you by the State of California, the Los Angeles Board of Education, the staff and student body of Narbonne High School. I wish at this time to extend my heartiest congratulations on a job well done. This is the start; the future belongs to you.

What tremendous implications in the thought of contrast! Consider for a moment that there have never been two human beings exactly alike—there are not two flowers or plants exactly alike—yesterday, the last hour, and even the very last minute are gone forever. All of this should eradicate the routine, the dull, and uninteresting. Each of us has some talents unlike those of anyone else. If we would only take time to discover these and develop them what a difference would be made in the world about us, in the group of which we are a part, in our school, in our homes. Contrast this with robots or automated machines. Here there is a contrast that should awaken in us a desire to attain a better world for ourselves, our families, and our communities.

## MR. HORN

Meeting the students is his work. He can probably speak personally to more students than any other person on campus. Mr. Horn has been an integral part of Narbonne for fourteen years now. He started as a business teacher after receiving his Bachelor of Arts degree in Business Administration from Loyola University. In 1958 he became our registrar. He says that he enjoys his position with its close contact with the students.

Besides his regular 8 a.m. to 4 p.m. school responsibilities here at Narbonne he enjoys a wide variety of sports, particularly surfing. He teaches an accounting class at Harbor College every morning, and spends the rest of his "spare time" working as an accountant. He also has an active family, a son, Michael and a daughter, Kathryn, to keep him busy if he runs out of things to do.

Mr. Moore, our Head Counselor, has been with us at Narbonne since 1957. He has previously been a business education teacher, and a work experience co-ordinator. This is the man we have to thank for the ease with which we get our classes each semester.

Mr. Moore holds a Master of Arts degree in Business Education from Los Angeles State College. He completed graduate work in counseling at U.S.C.

Mr. Moore has a rather unusual hobby of designing and building custom homes. He is a member of Phi Delta Kappa fraternity and is active in bowling, golf, tennis, basketball, and football.

Mr. Moore and his wife, Jean, have three sons, Robert, Paul, and John.

An abstract graphic design featuring a central lime green oval with the word "SPORTS" in a dark, stylized, hand-drawn font. The oval is surrounded by thick, dark, irregular brushstrokes. The background is composed of large, flowing, organic shapes in shades of light blue, pink, and purple, creating a sense of movement and depth.

SPORTS

Coach Bobinette

Coach Olafson

The 1965 Gauchos Varsity Football Team duplicated their 1964 season with five wins and three losses, and a second place finish in the tough Marine League. The season was highlighted with lots of thrills and excellent plays performed by a great many fine athletes. Halfback Jesse Mota finished the regular season in fourth place in the City Scoring Race with 80 points. However, it took outstanding effort by the whole team to enable Jesse to get clear on his touch-down romps.

The Gauchos got off to a fine start with a crushing defeat of the Washington Generals 33-6. The following week the Huntington Park Spartans were next to fall to the tune of 18-7. The third game found a battle of two great lines as the Gauchos fought it out with the Bell Eagles, but came upon the short 14-13. The opening League game saw Banning fall 28-21. The following week the Gauchos ran into a "buss saw", Gardena, and went down to defeat 47-7. Narbonne came back to beat Carson 19-14, but ran into trouble in the figure of Jordan and went down to defeat 31-19. The last game of the season saw the San Pedro Pirates fall 38-14. PRIDE-SPIRIT-TEAMWORK were the by-words for a successful 1965 season.

Bottom row: T. Tomeo, J. Wessel, R. Imel, M. Bailey, B. Dean, E. Verdugo, B. Burley, T. Bilich, M. Nakazawa. 2nd row: J. Neisen—Mgr., C. King—Mgr., R. Zacher, G. Terazzas, J. Mota, J. DiMassa, G. ## J.V.'s

Coach Lee Haley and his Junior Varsity team were a great help to the Varsity this year. Although their season record wasn't the best, they still had a real fine team. Many of these boys will be playing Varsity next year and will do a fine job.

Bottom row: D. Turrentine, T. Coggins, D. Donaher, D. Camron, M. Snyder, S. Jarett, D. Simmons, F. Brace, B. Burnopp, L. DeLaTorre. Second row: L. Monge, J. Graham, B. Furu, T. Frederickson, D. Deliman, P. McFarland.

## BEE'S

The 1965 Bee football season was a successful one both in and out of league play. In practice games Narbonne posted wins over Huntington Park and Bell, while losing only to Washington. In league play they started slowly with two losses and a tie to Banning, Carson, and Gardena respectively, but turned the tide at the end of the season. In the final two games, Narbonne came out victorious over Jordan and San Pedro to end the season with a record of 4-3-1 over all, and 2-2-1 in league play.

The Narbonne Basketball team had a season record that was not the most impressive, but our team did have qualities.

Never in defeat was there a loss of spirit, a drop in morale. Never in defeat was there a display of poor sportsmanship. But ever more impressive, the Gaucho's always emerged as a team, each man having performed his best on behalf of this student body.

But in the final analysis it was those faithful supporters of the team that deserve recognition. They supported their team and fellow students, and made Narbonne number one in Sportsmanship.

## J. V.'s

This year's J.V. Basketball team had a somewhat unsuccessful season. Our hard fighting squad lost all of the league games, usually by only a slim margin. Under the coaching of Mr. Probert, the players progressed forward in their basketball careers. These boys promise to be a great asset to next year's varsity team.

Front row: H. Gonzales, R. Price, D. Emley, G. Stone, A. Weir, R. Guyske, C. Gerson, L. Havlen. Back row: L. Sanchez, P. Edens, J. Peres, L. Scott, J. Armour, S. Monroe, D. Rose, Rich Boehm—Mgr.

## BEE

Mr. Sloss' Bee team just couldn't get the ball bouncing their way this season. They were a real determined team, but had bad breaks. The Captain of the team was Steve Okamura. The teams highest scorer was Jim Gazely, and the Most Valuable Player was Mickey Sais. Aran Smith was voted Most Inspirational Player, and Jerry Rutledge got Most Improved.

Front row: D. Smith, D. Ho, J. Hellerud, D. Webb, G. Ozawa, E. Martinez. Back row, T. McDuffie—Mgr., S. Gascon, S. Gebert, L. Reese, R. Okamura, J. Wickstrom, G. Biller—Mgr.

Coach Sloss

## CEE

The Cee team had many close games, but couldn't pull any out of the bag. They were a small team, but had real power and strength. Their captain was Ron Okamura. Louis Reese was the Most Valuable Player and the highest scorer. Most Inspirational was Sal Gascon and the most improved was Jim Wickstrom.

The 1965 Varsity Cross Country Team was composed of seven hard working juniors who gave the team all they could. They finished fifth in this year's competition, with three wins & three losses. All of these runners are returning and many great things are expected of next year's team.

The Jr. Varsity Team, who also had three wins and three losses, rounded out the season in fifth place. The team improved throughout the season and many of these boys will be returning to aid the Varsity next year.

The tenth grade team was split when two of the boys moved to Varsity but they managed to beat Verdugo Hills, Dorsey, and Jordan during the season.

Coach Dossey

Coach Dossey's track team is practically a whole new unit with only three returning lettermen. This year's track fortunes will have been forged by a sea of new faces. Old standbys Rod White in the shot-put and David Naramoto in the distance events will anchor the team. Our Bee and Cee teams will be depending on such stars as Benji Betancourt, Alex Martinez, and Nikki Brooks. With all the new athletes out for the first time, 1966 should be a foundation year for future great track teams.

Coach Probert

Our tennis team, under the fine coaching of Coach Probert, is building itself into a top-flight unit. With only two returning lettermen, Mike Coen and Lawrence Day, Coach Probert is building the rest of his varsity from such good material as Mike Ziemba, David Rose, Jeff Hellerude, Ralph Wilson, Jim Williams, Ron Chandler, and Mike Viella. Two bright future prospects are Carl Valliere and Kent Coble, who both look extra good. These, plus a good crop of new B-10's should give our tennis team a lot of depth.

This season's power packed swim team was lead by two of Narbonne's returning lettermen, Bob Nelson and Doug Robb. Under the instruction of Coach Sloss, these two boys have excelled in the relay medleys and the freestyle.

Both the Varsity and Bee teams have had a tremendous scoring record in all of the main events. The Cee's have also shown great promise and led the team to victory at many of this year's swim meets.

Gymnastics is a sport that requires great personal dedication. By the looks of this year's gym team, Coach Murrieta has instilled the required pride in his boys. We should have a fine team with such outstanding performers as Captain Richard Turgeon on the high bar; Brian Burley on the parallels, high bar, and ropes; Joe Penn, tumbling; Rich Freres in the free exercise; Frank Freres on the long horse and rings; Steve Fukuzaki on the long horse; and Jeff Rios on the side horse.

This year's Gaucho baseball squad looks to be the best in years. Relying on a four man pitching quartet of McEwen, Armour, Cunnigan, and Martizia, Jones' boys are hoping to go all the way. Their infield, consisting of Jim Guillou at first, Joe DiMassa at second, Larry (Lee Walls) Perazzo at third, and Stan Gonzales at short-stop won't be letting any baseballs leak through. Chub Davis behind the plate won't let the guys stop hustling, either.

All this, with the balanced hitting attack of Graham, Guillou, Gonzales, DiMassa, Davis, and Kegley should take us to a league championship.

As President, I have become much more aware of the school's complexity, as well as its high rating as one of the finest schools in the L. A. City system. If you wish to fully appreciate your fine school, I urge you to become enthused enough to participate in the Student Government program at Narbonne.

A happy and romantic evening for all who were there.

The Hush Hush Dance had a new twist this semester for Valentines Day. King of Hearts, Joe DiMassa, and Jacks of Hearts, Charles Faulkner and Greg Goforth were crowned as the highlight of the evening. Narbonne certainly has a lot of irresistible men.

# CHRISTMAS '66

The Christmas program as usual was very successful. Performances were given by the modern dance class, glee clubs, and the band with a special performance by Mr. Powell's young daughter. We'd like to say thanks to all who participated in the program. And a special thanks to Mr. Blinn and his stage crew for the spectacular backdrops.

## BASKET DRIVE

Under the leadership of the Key Club, Narbonne had a fabulous Basket Drive this year. Despite the fact that we didn't do as much decorating as in previous years, the spirit of giving was very generous.

A cream pie puts a shot in the eye.

Narbonne's talent show for Fall '65 was a huge success. It featured the folk trio of Bonnie & Ronnie Chandler and Tim Kastrup singing the "Universal Soldier". Larry Carlton entertained us with "Yesterday" made popular by the Beatles earlier in the year. Sandy Puerta's talent displayed itself in a touch of the Far East with her modern dance. The faculty presented its fantastic skit, highlighted by Mr. Just getting a pie in the eye. Mr. Echardt displayed a good deal of talent too! The Key Club presented a Beauty Pageant to determine who was the prettiest, most talented Key Club member. Mr. Schaefer, was acclaimed for his latest creation which was truly charming. This year's show was one of the best, thanks to the many people who worked so hard to make it a success.

Chris Olid

Hola! My name is Angel Cristobal Olid but my friends call me Chris. I was born on June 2, 1949. I came from the old Spain which many of you believe is full of castles, churches and old buildings, which is mostly true.

My family lives in Alcala de Guadaira, a town 10 miles south of Seville. There are about 40,000 people in this town and many of them work in the olive factories, which prepare the olives that sometimes you eat at home.

In the south of Spain the agriculture is the major source of income, and among others, olives and grapes as well as different kinds of cereals, are the main products. The industry also takes place in the south, but it is in the north where it prominently developed.

Seville is the biggest town in the south (600,000 inhabitants) and it is famous for its hot summers, 95 to 115 degrees, for its "Fereal de April", (April's Fair), and also for its old buildings and monuments as well as for its "Corridas de Toros" (Bullfights).

My family has five members; my father owns a cafe, my mother is a housewife, my brother, 19 years old, is studying Chemistry at the University of Seville.

My future ambition is to become a physical scientist. Since I got here I love hamburgers as well as hot dogs, tacos, and enchiladas which I never tasted before I came here. I enjoy reading good books. I also like football, soccer, and swimming.

I am also enjoying it here at Narbonne, which I consider a real big and great school.

My name is Martha Barrera del Valle. Why is my name so long? Because it is the custom in my country to use father's and mother's name.

I first saw the light of day in Santa Clara, Cuba on May 14, 1948. I lived in Cuba about thirteen years. But the political situation in my country made us change our home to another country, Costa Rica, and now my parents and my sister live there. Consequently Costa Rica is my second mother country and I love it as much as my mother country. My mother is a housewife and my eleven year old sister is in the sixth grade.

Alajuela is the name of the city where I live in Costa Rica. It is the capital of the province. In Costa Rica we have two seasons: winter is the rainy season, summer is the dry season.

My favorite food here in the U.S. is hamburger. For hobbies I enjoy collecting stamps. I love to travel to different places, go to dances, meet people and hear all kinds of music.

My future plans are to go home and graduate from high school. Later I hope to go to the University.

Narbonne is a great school. I know that I'm going to remember this year in the U.S. for the rest of my life.

To be a foreign exchange student with A.F.S. is a wonderful experience.

Martha Barrera

## STUDENT GOVERNMENT

Student Council

Serving as your A.S.B. President has been one of the most rewarding experiences of my life. Without hesitation I can say that each new day a door was opened to a new world, new vistas, new aims and to new endeavors. The responsibility was heavy but the burden was well worth the time and effort.

I would challenge each of you to begin now in the student government program. Don't underestimate your capabilities or possibilities, consider nothing impossible and no goal too high. The high school is constantly searching for new students. Will you accept this challenge?

An equal opportunity Employer

This year's theme has been "With Contrast." No two people on campus are exactly alike, but they all come together to compile one thing—our school. These people form our school dances, sports, entertainment, clubs, student government, and all other activities.

This annual is a record of all the contrasts we have found in our school. We have done our best to put together all the people and things that make our school. We have tied the contrasts together.

There was one person who was our greatest help in this tying. It was our faculty advisor Mrs. Paul. She saw to it that our individual efforts could all work together to complete this annual. The annual staff would like to extend its warmest thanks to Mrs. Paul in behalf of the entire student body of Narbonne.
